In 70 years of operation, the Pines has never seen days like these! Since our mandatory shut down, we have spent our time sprucing the place up, getting ready for the re-opening.

In response to the recent health crisis, all restaurants have restrictions upon re-opening. Importantly, buffets, salad bars, etc. are currently prohibited. So, The Pines is turning the clock back some 45 years and offering a family style menu. A new way to experience The Pines' favorites and some new offerings in a family format.

These trying times have all of us navigating through a changed world. We hope you visit us and give us your support. Watch for updates for our restaurant, we will post our new menu soon.

**Thank you for 70 years, SEYMOUR!**
